### **REASONS FOR ALLOWANCE**

1) The following is an examiner's statement of reasons for allowance: None of the references cited either alone or in combination provide a shaft assembly including first and second mounting components, the first component connected to the isolator and forming a cavity of a first dimension for receiving the second component having a second dimension slightly greater than the first dimension for altering stress characteristics of the isolator assembly, wherein the second component has an "I" contour which limits relative movement of the first and second components of the shaft assembly; and a thin layer of material interposed between the first and second components of the shaft assembly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Devon C. Kramer whose telephone number is 571-272-7118. The examiner can normally be reached on Mon-Fri 8-4.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James McClellan can be reached on (571 )272-6786. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
